

## Popular Use Cases and Cloud Examples - Practice Sheet

Storage Type	Examples
Block Storage	
Object Storage	
File Storage	

Table 1: Storage Services

ASP Type	Examples
Functional / Specialist ASP	
Vertical ASP	
Enterprise ASP	
Local ASP	

Table 2: Application as a Service

Integration Type	Integration Definition	AWS Solution	Azure Solution	GCP Solution
Application Integration	Connecting applications to enable seamless data exchange and communication			
Data Integration	Combining data from multiple sources into unified, meaningful information			
API Integration	Managing and connecting APIs to enable inter-application communication			
Workflow Automation	Orchestrating and automating business processes across systems			
B2B Integration	Enabling secure data exchange between business partners			

Table 3: Integration as a Service

Security Type	Examples
IAM	
DLP	
Email Security	
Web Security	
Network Security	
Intrusion Detection Prevention System (IDPS)	
Vulnerability Scanning	
Cloud Security	
Threat Intelligence	
Endpoint	

Table 4: Security as a Service

<b>Testing Type</b>	<b>Examples</b>
Functional Testing	
Usability Testing	
Regression Testing	
Performance Testing	
Security Testing	

Table 5: Testing as a Service
